WORK EXPERIENCE

Vanguard Renewables RNG Supply Intern, Houston, Texas June 2025 – Aug. 2025

- Conducted market research into renewable natural gas verticals to inform business strategies for Vanguard.
- Assisted in creating forecasting models using Excel to assess company performance in various industries.
- Prepared reports summarizing RNG market trends and international tax credit frameworks, supporting decision-making in RNG production and trade.

Vineyard Vines Seasonal Sales Associate, Houston, Texas Summer '23 & '24

- Effectively collaborated with other sales associates and managers to handle sales and keep the store in order, increasing customer traffic in the store.
- Enhanced the customer experience through strong communication and problem-solving skills, improving sales.
- Often multitasked with customers to handle multiple sales at once while also keeping the store tidy and stocked.

Houston Astros Career Development Internship, Houston, Texas Jan. 2023

- Diligently conducted player valuations and comparisons to provide valuable insight on Astros player contracts.
- Effectively gave a presentation on player contract extensions to an Assistant General Manager and other Baseball Operations employees.
- Simultaneously worked on multiple projects at one time, creating an organizational chart for the entire Houston Astros organization while also working on my player contracts research.

EXTRACURRICULARS and LEADERSHIP

Macalester College Baseball Player Sept. 2023 – Present

- Commit approximately 20 hours per week year-round to practicing, lifting, competing and traveling while simultaneously maintaining full course load.
- Represent the baseball team on the Macalester Student Athlete Mentors committee and serve on the baseball leadership team.
- Earned CSC Academic All-District Baseball Team and MIAC Academic All-Conference Honors in Spring 2025.

Macalester College Baseball Leadership Team Member May 2025 - Present

- Work with players and the coaching staff to provide input on team standards and improve team culture.
- Mentor younger teammates on how to succeed in school and athletics as a collegiate student-athlete.
- Develop leadership skills by working with coaches and teammates to solve conflicts and promote positive collaboration on the team.

Macalester College Student Athlete Mentor Sept. 2024 - Present

- Collaborate with faculty and varsity coaches to build a community among student-athletes and other students at Macalester.
- Connect student-athletes with on-campus mental health and student support services to provide support for student athletes.
